sportsequip.co.uk offer a range of cricket surfaces and systems including County Weave, Practice Turf and PVC Backed Practice Turf suitable for clubs, parks, schools and colleges for match or practice surfaces.

Our carpets are available in full match wicket length or in shorter pieces for batting and bowling ends either on a supply only or supply and installation basis and is offered in conjunction with our range of **Cricket Cages** for practice facilities.

County Weave is a professional quality wilton woven playing surface offering excellent playing characteristics and long life. When installed with our cricket Shock Pad on a dynamic base the system mimics a natural turf wicket, responsive to both spin and seam bowling. Designed to be low slip for safe use by all ages and standards of player.

Practice Turf is a more economic reverse needlepunch, fibre bonded carpet that can also be permanently adhered to new or existing concrete bases, resulting in very low maintenance. PVC Backed Practice Turf is a 2 metre wide alternative roll up/roll down surface with a heavy PVC backing, designed to offer predictable playing characteristics when laid onto a solid base. With this range of surfaces and systems **sportsequip.co.uk** also resurface, refurbish, renovate and upgrade existing bases to 'as new'.

Please refer to the range of supporting data sheets and prices available on our web site **www.sportsequip.co.uk**
