Mobile Cricket Wicket Covers

Purchasing a pitch cover is a real investment for a club.

Wicket covers are an essential piece of ground equipment which helps to protect and improve the quality of the playing surface. All covers are extremely durable and built to last with a manufacturers' 10 year guarantee on the frames and 5 years on the cover tops.

Cover tops are supplied green as standard but are also available in white and blue.

Cover tops provide the opportunity for club/sponsors advertising.
